**MOTION TO AMEND SCHEDULE SET FORTH IN ORDER GRANTING
CLASS PLAINTIFFS' MOTION FOR PRELIMINARY APPROVAL OF
CLASS SETTLEMENT WITH VNA DEFENDANTS [3009]**

On June 17, 2024, the Court granted Class Plaintiffs' Motion for Preliminary Approval of Class Settlement with the VNA Defendants, issuing a schedule setting out remaining deadlines in the settlement process. ECF No. 3009. Class Plaintiffs suggest revising the schedule to shorten certain deadlines and thereby (1) allow the distribution of funds pursuant to the VNA Settlement to be coordinated with the distribution of funds under the MSA to the extent practicable, (2) maintain a longer period for claimants to register for the settlement to allow as many potentially eligible claimants as possible to obtain relief; and (3) in the event the Court grants final approval of the Settlement, allow the distribution of funds as soon as practicable. For the same reasons, Class Plaintiffs further request that the Court set the final approval hearing for some time in late September or early October.

Class Plaintiffs propose the following amendment to the Court's Order:

Event	Date
Motion for Fees and Expenses	August 16, 2024 July 30, 2024
Notice Mailed	July 17, 2024 July 1, 2024
Deadline for Registration Form & Claim Form	September 16, 2024 September 16, 2024
Deadline to Request Exclusion from Settlement	September 16, 2024 August 16, 2024
Deadline for Objections to Settlement and Class Member Notice of Intent to Appear at Fairness Hearing	September 16, 2024 August 16, 2024
Motion for Final Approval	September 30, 2024 September 6, 2024

For these reasons, Class Plaintiffs respectfully request the Court enter an order modifying the VNA Class Settlement deadlines accordingly.
